

We are extremely blessed to have our boys attending Cherie Hearts @ Charlton. Each day we hear stories from our sons about the fun, adventures and learning that he has experienced; reinforced by the photos and stories that the teachers share with us.

Cherie Hearts @ Charlton addresses the educational needs of each child as well as their emotional and social wellbeing. The children participate in programs and activities that encourage them to engage, question and analyse the world around them, enriching community spirit and we couldn't speak more highly of this wonderful preschool.
